2016 Science Framework

FOR CALIFORNIA PUBLIC SCHOOLS Kindergarten Through Grade Twelve

Adopted by the California State Board of Education
November 2016

*Published by the California Department of Education
Sacramento, 2018*

To view the remaining sections of the 2016 California Science Framework on the CDE website, go to:
<https://www.cde.ca.gov/ci/sc/cf/cascienceframework2016.asp>

Items in this document that relate to crosscutting concepts are highlighted in green and followed by the abbreviation CCC in brackets, **[CCC]**, with a number corresponding to the concept. The same items that correspond to the science and engineering practices are highlighted in blue and followed by the abbreviation SEP in brackets, **[SEP]**, with a number corresponding to the practice.

The Web links in this document have been replaced with links that redirect the reader to a California Department of Education (CDE) Web page containing the actual Web addresses and short descriptions. Here the reader can access the Web page referenced in the text. This approach allows CDE to ensure the links remain current.

Acknowledgments

This edition of the *Science Framework for California Public Schools: Kindergarten Through Grade Twelve* was adopted by the California State Board of Education (SBE) on November 3, 2016.

When this edition was approved, the following persons were serving on the SBE:

Michael Kirst,
State Board President

Ilene Straus,
State Board Vice President

Sue Burr

Bruce Holaday

Feliza I. Ortiz-Licon

Patricia Ann Rucker

Nicolasa Sandoval

Ting L. Sun

Trish Boyd Williams

Olivia Sison, Student Member

Special appreciation is expressed to California State Board of Education Vice President **Ilene Straus** and members **Patricia Ann Rucker** and **Trish Boyd Williams**, who offered guidance and support during the development of this framework.

In June 2016, when the framework was recommended for adoption by the SBE, the members of the Instructional Quality Commission (IQC) were as follows:

Lauryn Wild, IQC Chair,
Romoland School District

Louis “Bill” Honig,
IQC Vice Chair, CORE, Inc.

Jocelyn Broemmelsiek,
San Dieguito Union High School
District

Soomin Chao, Temple City Unified
School District

Lizette Diaz, Ontario-Montclair
School District

Jose Flores, Brawley Union High
School District

Robert Foster, Redlands Unified
School District

Lori Freiermuth, Sweetwater Union
High School District

Marlene Galvan, Dinuba Unified
School District

Carla Herrera, Retired Educator

Risha Krishna,
Livermore Valley Joint Unified
School District

Brian Muller, Los Angeles Unified
School District

Nicole Naditz, San Juan Unified
School District

Dean Reese, Tracy Unified School
District

Carlos Ulloa, Escondido Union
School District

Jennifer Woo, Twin Rivers Unified
School District

Assembly Member

Kevin McCarty,
California State Assembly

Senator Carol Liu,
California State Senate

Acknowledgments

The following members of the Science Subject Matter Committee participated in the development and approval process for the framework from 2013 through 2016:

Kristyn Bennett

(Member, 2013 and 2014)

Jocelyn Broemmelsiek

(Member, 2015 and 2016)

Soomin Chao (Member 2016)

Edward D’Souza

(Vice Chair, 2013; Member 2014)

Lizette Diaz (Member, 2016)

Jose Dorado (Member, 2013 and 2014)

Robert Foster (Chair, 2014, 2015, and 2016)

Lori Freiermuth (Chair, 2013; Vice Chair, 2014; Member, 2015 and 2016)

Louis “Bill” Honig (IOC Chair, 2013;

Member, 2014, 2015, and 2016)

Jo Ann Isken (IOC Chair, 2014 and 2015)

Brian Muller

(Member, 2013, 2014, and 2015)

Julie Spykerman

(Member, 2013, 2014, and 2015)

Dean Reese (Vice Chair, 2015 and 2016)

Jennifer Woo (Member, 2016)

Lauryn Wild

(Member, 2013; IOC Chair, 2016)

The initial draft of the framework was developed by the Science Curriculum Framework and Evaluation Criteria Committee (Science CFCC) between September 2014 and May 2015. The SBE and the IQC commend the following members of the Science CFCC and extend great appreciation for their efforts.

Robert Sherriff, Science CFCC Co-Chair,
Teacher, San Juan Unified School District

Helen Quinn, Science CFCC Co-Chair,
Professor Emerita, Stanford University

Maria Blue, Teacher, Saugus Union School
District

Juanita Chan, California Mathematics and
Science Partnership Science Lead, Rialto
Unified School District

Tina Cheuk, Project Manager, Stanford
University

Caleb Cheung, Science Manager, Oakland
Unified School District

Teresa De Diego Forbis, Teacher, Los
Angeles Unified School District

Anna Gaiter, Teacher, Plainview Academic
Charter Academy

John Galisky, Teacher, Lompoc Unified
School District Teacher

Susan Gomez Zwiép, Professor, California
State University Long Beach

Nicole Hawke, Teacher, Coachella Valley

Unified School District

Lisa Hegdahl, Teacher, Galt Elementary
School District

Tatiana Lim-Breitbart, Teacher, Aspire
Public Schools

Shawna Metcalf, Teacher, Glendale Unified
School District

Laura O’Dell, Teacher, El Rancho Unified
School District

Stefanie Pechan, Teacher, Pacific Grove
Unified School District

Anthony Quan, Consultant II, STEM, Los
Angeles County Office of Education

Jo Topps, Regional Director, WestEd/K–12
Alliance

David Tupper, Teacher, Lakeside Union
School District

Jeanine Wulfenstein, Teacher, Temecula
Valley Unified School District

*Affiliations listed were current at the time of
each member’s appointment.*

Gratitude is expressed to the dedicated framework writing team who served as the primary writers of the *CA Science Framework*:

J. Kirk Brown, Director of STEM,
San Joaquin County Office of Education.
Dr. Matthew d'Alessio, Associate Professor,
California State University Northridge

Dr. Maria Simani, Executive Director,
California Science Project, University
of California, Riverside

Appreciation is also expressed to the writing team of the first 60-day field review draft:

Dr. Lola Berber-Jimenez, Professor of
Chemistry, California Polytechnic State
University, San Luis Obispo

Anne Marie Bergen, Lecturer, California Poly-
technic State University, San Luis Obispo

Dr. Mara Brady, Assistant Professor,
California State University, Fresno

Dr. Seth Bush, Professor, California Polytech-
nic State University, San Luis Obispo

Dr. Alan Colburn, Professor, California State
University, Long Beach

Kathy Comfort, Director of the Partnership
for the Assessment of Standards-Based
Science (PASS), WestEd

Jessica DiMizio, Lecturer, California Poly-
technic State University, San Luis Obispo

Kathy DiRanna, Statewide Director K–12
Alliance, WestEd

Bryan Ehlers, Assistant Director, Cal Recycle

Dr. Darby Feldwinn, Lecturer, University of
California, Santa Barbara

Brian J. Foley, Associate Professor, California
State University, Northridge

Dr. Ray Hall, Department of Physics Chair,
California State University, Fresno

Dr. Laura Henriques, Professor, California
State University, Long Beach

Dr. Normann Herr, Professor, California
State University, Northridge

Joyce Hill, Lecturer California Teach Program,
University of California, Santa Cruz

Dr. Madhusudan Katti, Associate Professor,
California State University, Fresno

Dr. Gerald A. Lieberman, State Education
and Environment Roundtable

Ana G. Lopez, Science Specialist, California
State University, Fresno

Dr. Frederick L. Nelson, Assistant Professor,
California State University, Fresno

Trina Nicklas, Teacher, Paso Robles Joint
Unified School District

Dr. Virginia Oberholzer Vandergon,
Professor, California State University,
Northridge

Dawn O'Connor, Science Director, Alameda
County Office of Education

Dr. Jonathan Osborne, Professor of Science
Education, Stanford University

Kimberly M. Ott, Coordinator, San Joaquin
County Office of Education

Dr. Nell Papavasiliou, Electrical Engineering,
Lyles College of Engineering, VIP
Internship Program Director

Jean Pennycook, Science Specialist, Central
Valley Science Project, Fresno State

Dr. Helen Quinn, Professor Emerita of
Physics, Stanford University

Dr. Pamela Spycher, Senior Research
Associate, California Comprehensive
Center at WestEd

Nancy Stauch, Lecturer, California Polytech-
nic State University, San Luis Obispo

Debbie Supple, Director, Bay Region 4 Cal-
ifornia Preschool Instructional Network,
Contra Costa County Office of Education

Dr. Art Sussman, Senior Project Director,
WestEd

Dr. Fariborz M Tehrani, Assistant Professor,
California State University, Fresno

Cristina Trecha, Director, San Diego Science
Project

Dr. Jerry D. Valadez, Adjunct Faculty,
California State University, Fresno

Acknowledgments

The CDE also recognizes the following educators who provided expertise and insight to prepare the second 60-day field review draft:

Caleb Cheung, Science Manager, Oakland Unified School District

Kathy DiRanna, Statewide Director K-12 Alliance, WestEd

Jill Grace, Regional Director, K12 Alliance

Susan Gomez Zwiép, Professor, California State University, Long Beach

Lisa Hegdahl, Teacher, Galt Elementary School District

Margaret Heritage, Senior Scientist, WestEd

Dr. Rachel Lagunoff, Senior Program Associate, WestEd

Irene Lee, Director, Project GUTS, Research Scientist, MIT Scheller Teacher Education Program/Education Arcade

Dr. Gerald A. Lieberman, State Education and Environment Roundtable

Robert Linqanti, Project Director, WestEd

Dawn O'Connor, Science Director, Alameda County Office of Education

Mena Parmer, Teacher, Alameda County Office of Education

Dean Reese, Teacher, Tracy Unified School District

Dr. Pamela Spycher, Senior Research Associate, WestEd

Laura Prival, Grant Coordinator, Oakland Unified School District

Thomas Reinhardt, Secondary Science Coordinator, Oakland Unified School District

Jill Wertheim, Researcher, Stanford NGSS Assessment Project (SNAP)

Thank you to **Bryan Ehlers**, Assistant Director, Cal Recycle; **Dr. Gerald A. Lieberman**, State Education and Environment Roundtable; **Will Parish**, President, Ten Strands; and **Craig Strang**, Associate Director, Lawrence Hall of Science for supporting connections to California's Environmental Principles and Concepts and environmental literacy throughout this document.

Appreciation is also expressed to retired Donate Life California CEO **Charlene Zettel** and her colleagues for developing vignettes to help educate California's students about the importance of organ, eye, and tissue donation.

The CDE also recognizes the California Science Teachers Association under the leadership of Executive Director **Jessica Sawko** and past, present, and current Presidents **Laura Henriques**, **Lisa Hegdahl**, and **Jill Grace** for their many contributions, including the coordination of statewide focus groups to review the draft framework. This effort produced hundreds of thoughtful comments and suggested edits. The CDE also recognizes the valuable public comment submitted by county offices of education, educational organizations, and a wide range of teachers, educators from K-12 and institutes of higher education, and members of the public. All these contributions added to the quality and depth of the content.

The following managers at the CDE coordinated the development and publication of this edition of the framework:

Thomas Adams, Ph.D., Deputy
 Superintendent of Public Instruction,
 Instruction and Learning Support Branch
Stephanie Gregson, Ed.D, Director,
 Curriculum Frameworks and Instructional
 Resources Division and Executive Director,
 IQC

Kristen Cruz Allen, Administrator,
 Curriculum Frameworks Unit
Cliff Rudnick, Administrator, Instructional
 Resources Unit

Gratitude is expressed to **Bryan D. Boyd, Ed.D.**, Education Programs Consultant, Instructional Resources Unit, who was the lead consultant for the framework with support from **Cynthia Gunderson**, former Education Programs Consultant, Curriculum Frameworks Unit, and **Lisa Grant**, Education Programs Consultant, Curriculum Frameworks Unit.

The following staff members from the CDE’s Curriculum Frameworks and Instructional Resources Division were also instrumental in the development of the framework:

Deborah Franklin, Education Programs
 Consultant, Curriculum Frameworks Unit
Steve Furness, Office Technician,
 Instructional Resources Unit
Alejandro Hernandez, Education Programs
 Consultant, Instructional Resources Unit
Susan Hardesty, Analyst, Administrative
 Support Unit
Cyndi Hammonds, Staff Information
 Systems Analyst, Administrative Support
 Unit
Lisa Leiplein, Analyst, Curriculum
 Frameworks Unit
Jim Long, Education Programs Consultant,
 Instructional Resources Unit
Dr. Kenneth McDonald, Education Programs
 Consultant, Curriculum Frameworks Unit

Renee Ousley-Swank, Education Programs
 Consultant, Instructional Resources Unit
Jonn Paris-Salb, Education Programs
 Consultant, Instructional Resources Unit
Anton Piskulyov, Analyst, Instructional
 Resources Unit
Aristotle Ramirez, Graphic Designer, CDE
 Press
Rhonda Runyan, Analyst, Curriculum
 Frameworks Unit
Carol Singleton, Manager, CDE Press
Susan Sweeney, Analyst, Administrative
 Support Unit
Thomas Wyant, Associate Editor, CDE Press
Terri Yan, Analyst, Curriculum Frameworks
 Unit
Tracie Yee, Analyst, Curriculum Frameworks
 Unit

Acknowledgments

Finally, the following CDE staff members are gratefully acknowledged for sharing their expertise during the development of this framework:

Renzo Bernales, Education Programs

Consultant, Special Education, Policy
Development Special Education Division

Chris Breazeale, former Education Programs

Consultant, Science, Technology,
Engineering and Mathematics Office,
Professional Learning Support Division

Laura Nieuwenhuys, Child Development

Consultant, Quality Improvement Office,
Early Education and Support Division

Lorene Euerle, Education Programs

Consultant, Title I Monitoring and
Support, Improvement and Accountability
Division

Elena Fajardo, Administrator, Language

Policy and Leadership Office, English
Learner Support Division

Gustavo Gonzales, Education Programs

Consultant, Language Policy and
Leadership Office, English Learner
Support Division

Shannon Gordon, Education Programs

Consultant, Science, Technology,
Engineering and Mathematics Office,
Professional Learning Support Division

Don Kilmer, Administrator, Assessment

Development Office, Assessment
Development and Administration Division

Jane Liang, Education Programs Consultant,

District Innovation and Improvement
Office, Improvement and Accountability
Division

Blessing Mupanduki, former Education

Programs Consultant, Assessment
Development Office, Assessment
Development and Administration Division

Karen Shores, Former Administrator,

Science, Technology, Engineering and
Mathematics Office, Professional Learning
Support Division

Molly Stitt, Education Programs Consultant,

Facilities Planning Policy and Standards
Unit, School Facilities and Transportation
Services Division
