Other:

High-Priority Local Educational Agency Self-Identification

The Golden State Pathways Program prioritizes grant applications in the areas of high-priority local educational agencies (LEAs) and high-priority pathways.

LEAs may identify themselves as high-priority LEAs and/or high-priority pathway(s) in alignment with the competitive priorities stated in *California Education Code (EC) Section 53022* (see Appendix B). Check all boxes that apply to your LEA and attached supporting documentation.

High-Priority Local Educational Agency (select one or more)

High-priority local educational agency means a local educational agency that meets any of the following criteria:

Fifty percent or more of the enrolled pupils at the local educational agency are unduplicated pupils, as defined in *EC Section 42238.02*.

The local educational agency has a higher than state average dropout rate.

The local educational agency has a higher than state average rate of suspension and a higher than state average rate of expulsion.

The local educational agency has higher than state average rates of child homelessness, foster youth, or justice-involved youth.

The local educational agency has a lower than state average rate of pupils completing all of the A–G courses required to be eligible for admission to the University of California or the California State University.

GSPP Pathway Sector(s):

Education, including early education and child development

Computer science

Health care

Science, technology, engineering, and mathematics pathways that also focus on climate resilience

Other:

Data Used for Determination of Funding Amount (enter data in fields below)

According to *EC* Section 53025 (c), in determining the grant amounts for an implementation grant and for a consortium development and planning grant, the Superintendent, in consultation with the executive director of the state board, shall consider all of the following:

- The unduplicated number of pupils enrolled by the applicant:
 - LEA(s):
 - Schoolsite(s):
 - In the LEA text box above list each LEA and separate LEA names with a forward slash. In the Schoolsites(s) text box list each schoolsite and number of pupils enrolled at each site. Separate with a forward slash. Example: Tall Trees High School, 90 pupils/Sunnyside High School, 80 pupils.
- The number of pathways programs proposed to be established or expanded by the applicant and the number of schoolsites that would participate in the pathways program.
 - Number of Pathways:
 - Number of Schoolsites:
- The estimated number of pupils that would be enrolled in the applicant's pathways programs.
 - Estimated Number of Pupils Enrolled in the Pathway(s):
- The number of entities collaborating with the applicant to achieve the goal outlined in subdivision (a) of *EC* Section 53021.
 - Number of Entities:

For the CDE to determine grant funding amounts, applicants must provide additional documentation for the fields listed above in Appendix C: Local Educational Agency Data Report. Refer to Appendix C for more details.
